

Bylaws of the College of Allopathic Medicine Nova Southeastern University

Article I: PURPOSE

1. The purpose of these bylaws is to define guidelines and procedures for the administration and governance of the College of Allopathic Medicine (College) so that members of the administration and faculty may understand their mutual responsibilities and faithfully perform their duties in pursuing excellence in education, research, service, clinical practice and administration.
2. These bylaws are based on the premise that the university and its colleges can function properly when integrity is nurtured and maintained by all, from the president to the faculty members, staff members and students. The bylaws describe all parties' participation in governance of the College. These bylaws are predicated on the principles of shared authority, responsibility, mutual understanding and respect and are intended to foster clear communication, active cooperation, rational argumentation and persuasion in a collegial environment.
3. These bylaws are not intended to constitute a contract between the College and any person, or to create any legal or equitable rights, vested or otherwise, in any member of the College's faculty, staff or student body. The bylaws are not intended to modify, supplement or otherwise be incorporated into any person's employment agreement with the College.

Article II: THE COLLEGE

The College of Allopathic Medicine is an integral part of the Private Not-for-Profit, SACS accredited Nova Southeastern University (NSU), whose purpose is the training of medical students in a rich academic, interdisciplinary environment, including full patient care delivery services, and a meaningful research requirement in participation with the numerous programs and colleges within the Health Professions Division of the University. The College shall be organized as described in these bylaws. The duties, privileges and responsibilities of the Faculty and staff of the College, as stated or implied herein, shall be exercised in accordance with the rules, policies and procedures of the University.

Article III: THE FACULTY

1. SELECTION OF FACULTY
 - a. The Faculty of the College are appointed by the Chairs in consultation with the Dean. If the Dean approves, the Dean then makes a recommendation to the President for final approval.

- b. Faculty who hold existing appointments with other NSU colleges and are offered joint appointments in the College shall be appointed to the same rank then held in their original college.
- c. Appointments of faculty at the level of Associate Professor or Professor, as well as consideration of faculty for continuing contract are reviewed by the Merit and Promotion Committee, which shall make recommendations to the Dean.

2. FACULTY RESPONSIBILITIES

- a. The College of Allopathic Medicine faculty is an advisory body to the Dean of the College and shall consist of all individuals appointed as faculty members.
- b. With respect to the governance of the organization, the faculty of the College of Allopathic Medicine are authorized to:
 - i. develop and recommend policies that govern the educational, research, clinical and operational activities including development and evaluation of the curricula for all degree programs as well as the GME programs within the College,
 - ii. develop and recommend admission, promotion, and degree requirements for students within the College,
 - iii. act upon reports from and make recommendations to the Dean, faculty committees, Faculty Council, and other academic Units of the College,
 - iv. communicate with the Faculty Council of the College, and
 - v. provide service to Unit, College, Faculty Council, and University level committees.

3. CORE FACULTY OF THE COLLEGE OF ALLOPATHIC MEDICINE

- a. The Core Faculty of the College of Allopathic Medicine shall include:
 - i. All NSU-employed faculty employed at a minimum of at least 0.50 FTE by the College and who are appointed as faculty.
 - ii. Faculty who receive some, but less than 0.5 FTE from NSU College of Allopathic Medicine, if they support the mission of the College and are approved by the dean.

- iii. Non-salaried faculty who fulfill College of Allopathic Medicine mission-based duties, responsibilities and functions and who have been appointed as Core Faculty by the dean.
- b. All core faculty must comply with NSU and College policies and guidelines. Each faculty member will be integrated into an academic unit within the College.
 - i. Core faculty members are members of the Faculty Council (discussed below) and may serve on College committees that require Core Faculty members.

The Core Faculty shall be empowered to vote on any proposal, resolution or referendum presented to the Faculty that requires a vote. Each Core Faculty member shall be entitled to one vote.

Article IV: THE ADMINISTRATION

- 1. DEAN: The Dean of the College of Allopathic Medicine is the chief academic, administrative and financial officer of the College and is responsible for its operation and for the development, approval and implementation of its policies. The Dean makes all leadership appointments in the College for individuals who assist in the discharge of the Dean’s duties.
- 2. COLLEGE SUBDIVISIONS: The College is administratively composed of academic units and administrative sections. Each unit reports directly or indirectly to the Dean. Each academic unit is administered by a Chair who is responsible for the organization and implementation of its programs and reports to the Dean.

1. GENERAL COMMITTEE OPERATIONS

- a. The president, in consultation with the affected Committee Chair and Leadership Team, will appoint members to serve on Faculty Council Committees or as ex officio members of the College's committees.
- b. Each Faculty Council Committee will keep minutes of its meetings, indicating the date and time of the meeting, those in attendance, and actions taken.
 - i. Copies of the minutes will be maintained by the Faculty Council.
- c. Committees will prepare Annual Reports of their activities which shall be submitted to the Dean, the Executive Committee and the Faculty Council. These reports may be presented at Faculty Council Meetings.
- d. Faculty members will have access to Faculty Council Committee minutes and reports.

- e. Unless otherwise specified, committees' terms begin July 1 and end June 30 of the following year.

2. FACULTY COUNCIL NOMINATION COMMITTEE

- a. Members of the Nominating Committee are appointed by the Leadership Committee with appropriate representation from the various constituencies of the College. The chair of this committee shall be the immediate past president of the Faculty Council (the President of the Faculty Council in the first year). Members shall serve staggered three-year terms.
- b. The Nominating Committee shall have the responsibility of preparing a slate of candidates from among the Core Faculty for the office of vice president and, when it becomes active, for the positions for the Faculty Council Representative committee. The Nominating Committee is also responsible for making recommendations to the Dean identifying recommended faculty members for service on College committees. To promote a broad viewpoint in all issues affecting faculty, the committee will consider all forms of diversity in its identification of candidates for open positions. Members of the Nominating Committee may not be candidates for these positions.
- c. Nominations may be solicited via written or electronic correspondence, or in person. The Nominating Committee shall confirm the willingness of nominated faculty to serve in positions prior to elections.
- d. The Nominating Committee of the Faculty Council shall report to the Leadership Committee the names of confirmed candidates for these positions to be filled by April 1, prior to the start of the term of the open position(s).

3. FACULTY COUNCIL REPRESENTATIVE COMMITTEE

- a. The Faculty Council Representative Committee is composed of the Faculty Council Leadership Team and elected Core Faculty representatives from appropriate units/departments. The Faculty Council Representative Committee charge is to consider and formulate short- and long-term goals of the Faculty Council and the College of Allopathic Medicine.
 - i. The Faculty Council Representative Committee will be constituted when the College of Allopathic Medicine attains more than 100 Core Faculty members and at least two Academic Units.
- b. The Faculty Council Representative Committee is chaired by the president of the Faculty Council.. The Faculty Council Leadership Team will update the Representative Committee on all discussions or activities of the Executive Committee that pertain to the faculty.

- c. The Faculty Council Nominations Committee will recruit candidates to stand for election for representative positions. Two representatives will come from Core Faculty who provide medical education to College students and have joint appointments in other Colleges. Two representatives will come from clinical science departments. One representative will come from research. As the College of Allopathic Medicine develops more departments/units, additional positions will be added to the Faculty Council Representative Committee on a proportionate basis. At the discretion of the Leadership Team, up to two additional members can be added to the Representative Committee without requiring a formal change to the bylaws.
- d. Representatives will serve two year terms (with the exception of the first year, where half the representatives will serve a one-year term). If an elected representative is unable to complete his or her term, a new election will be carried out within three months to identify a new representative.
- e. The Representative Committee may invite the Dean to attend its meetings to inform and discuss specific issues with the Committee. The Dean may request to meet with the Committee to discuss issues with the Committee.
