*Students enrolled in the Internal Medicine, Surgery, Pediatrics & Psychiatry clerkships are assigned to HCA East Florida Division Hospitals for their clinical rotations. Students in Ob/Gyn and Primary Care Medicine clerkships are assigned to individual preceptors in their offices. Student lunch hour is based on the hospital team/preceptor schedule. Students may be required to participate in night/weekend hospital shifts for some rotations. The Clerkship Director’s Orientation will include specific information about the schedule for each rotation. Many Wednesday afternoon didactic sessions are held @ NSU MD campus; some are held at nearby Broward College Simulation Center, at an HCA hospital, or via Zoom.
